

Accredited Professional Schools of Nursing

Here is a list of North Carolina accredited professional schools of nursing in 1950 (hospital diploma programs).

In 1950, the University of North Carolina at Chapel Hill was beginning the first Bachelor of Science in Nursing program in the state and the Associate Degree in Nursing programs had yet to be developed. A report of the North Carolina Committee to Study Nursing and Nursing Education was released in November, 1950. The following information is taken from this report.

The 1947 Nurse Practice Act authorized the educational requirements and practice role of the Licensed Practical Nurse (LPN). These are the first 8 LPN programs to operate in North Carolina. Three former Diploma programs at Grace Hospital in Banner Elk, Tayloe Hospital in Washington and Wayne County Memorial Hospital converted to LPN programs prior to 1950. This data is taken from the 1950 report of the NC Committee to Study Nursing and Nursing Education.

Hospital	Location	Race
Alamance General Hospital	Burlington	W
Grace	Banner Elk	W
Durham School of practical nursing for Negroes, Duke Unit	Durham	AA
Durham School for Practical Nursing Watts unit	Durham	W
Mary Elizabeth	Raleigh	W
Tayloe	Washington	W
